NSTC Training Medical Screening and Self-Declaration of Fitness Form

NSTC 訓練参加のための健康状態申告書

1. Please read the following carefully:

Physical activities associated with this training course may include, but are not limited to:

- Moving through the water using your arms while wearing a life jacket and/transit or immersion suit.
- Holding your breath to egress underwater in a helicopter simulator module.(OPITO training only.)
- Entering the water from pool side or at height 3.3ft or 1m.
- Towing other persons in the water.
- Pulling action on the upper body when climbing in or out of the pool or up and into a life raft from the water. (Similar to doing a chin-up but with an additional 20 lbs/10kg of weight added to your body.) Extensive use of joints – shoulders, neck, elbows, wrists, hips, knees.
- Twisting and torquing the upper body.
- Breathing from emergency breathing devices. (OPITO training only.)
- Sitting in a classroom environment for at least 50 or more consecutive minutes.
- Moving with low visibility situations

2. Delegate Medical Self Declaration

The following questionnaire is provided for your personal review. If you have any of the following medical conditions or answer yes to any of the questions you are advised to:

- Provide the list of training requirements to your physician
- Consult with your Physician to determine if you are fit to safely complete the training

This medical questionnaire may be voluntarily used to discuss whether you are physically able to participate in NSTC course(s). This list of questions is by no means an exhaustive list of all questions you should discuss with your medical provider. Instead, it is being provided to you as guidance of what questions you may want to discuss with your medical provider prior to signing your Training Participant Medical Declaration acknowledging your fitness to participate in the training program.

Questions	Yes	No	If Yes, What and When?
Have you been under surgical intervention recently?			
Do you have any physical disability?			
Do you wear prescription glasses or contacts?			
Are you presently on light duty because of a medical condition?			
Did you have any disease, altered state of health or any lost time accident in past 12 months?			
Have you been treated or being in the care of a doctor in the last 12 months for any medical condition that would require a doctor's release?			
Are you suffering from any physical or physiological condition not mentioned that could affect your participation in any of the physical training activities?			
Do you have any anxiety that could prevent you from safely completing this training? (Height, Enclosed Spaces, Water, etc.)			
Have you ever had epilepsy/ seizures / fainting / "blackout"?			
Have you ever had a head injury?			
Do you have any problems with headaches / balance / hearing?			

NSTC Training Medical Screening and Self-Declaration of Fitness Form

NSTC 訓練参加のための健康状態申告書

Do you have trouble with swimming?			
Are you a limited or non-swimmer?			
Are your ears sensitive to water? Have you had previous ear issues while swimming or after swimming?			
Do you have shortness of breath/breathing difficulties?			
Have you suffered chest pains?			
Do you have a history of displaced joints (bad knee, bad back etc.)?			
Are you allergic to any medicine/substance?			
Have you taken any medication in the past 24 hours that could impair your ability during this training?			
Do you suffer or have you suffered from?			
RESPIRATORY Diseases (allergies, asthma, bronchitis, tuberculosis or other)			
CARDIOVASCULAR diseases (heart attack, angina, thrombosis, phlebitis or other)			
DIGESTIVE SYSTEM Diseases (gastritis, ulcers, hepatitis B/C or other diseases)			
URINARY SYSTEM Diseases (infection, kidney stones or other)			
METABOLIC Diseases (diabetes, obesity, anemia or other)			
BONE SYSTEM Diseases (arthritis, bone fracture, dislocation, slipped disc, rheumatism or other)			
NEUROLOGICAL Diseases (epilepsy, depression or other)			
SKIN diseases (ringworm, folliculitis, herpes or other)			
EYES Diseases (myopia or other)			
High blood pressure			
VARICOSE veins (poor circulation, and phlebitis)			
Hernias, Hemorrhoids or Fistulas			
Please list any other medical problems or recent injuries that may limit your ability to safely complete this training.			

- I understand that all the above information that I have supplied will be kept "most confidential" unless issues arise regarding my health and safety. Should an incident occur, I agree that any information needed to aid in my care can be released.
- I have read the above and declare that all information provided on this form is accurate and that I have not withheld any information regarding the status of my health.
- I am aware that the occurrence of any accident or illness in training must be immediately reported to the instructor or the responsible health professional.

Your Privacy Matters to Us

At NSTC (Nippon Survival Training Center), we are committed to protecting your privacy. We respect your privacy and want you to understand how we safeguard your personal information.

How We Collect Your Information

We collect and keep information about you, which is needed to provide the products and services you request. We collect information from you, either directly or through your company's representatives.

How We Use Your Information

We use your personal information to provide the products and service you or your company requests, which includes:

- Creating training certificates
- Maintaining a record in our training database
- Creating invoices and receipts

We may be required to share or distribute your personal information to third party organizations that require your information in order for NSTC to issue certification.

- The Certification Body of specific training
- Insurance company
- Your employer
- Relevant company requiring your training history

We may use your information internally to create statistical reports that help us understand the needs of our clients and help us manage our business.

Security

NSTC will not release your personal information to any person or organization that is not reasonably involved in the delivery of your requested service or product.

- Paper files containing your personal information are secured (locked storage) as soon as processing is completed. These files are kept for a period of five years and then destroyed.
- Electronic files are backed up daily. If not updated, your personal information will automatically be deleted after five years.

Your Right to Access Your Information

You have a right to access the personal information that we have about you in your file. If we have information that is not correct, you can have it corrected. To access your information or to ask us to correct information, you can contact us at:

- 2-6-27Ginza, Tobata-ku, Kitakyushu-shi, Fukuoka-ken, 804-0076, Japan
- TEL : +81-93-884-2020
- info@n-s-t-c.com
or in person / writing

Consent

Do you understand and consent to Nippon Survival Training Center gathering your personal information for the purposes described above? If yes, please sign below.

Concent form for Training on Infection Agreement

I understand the following conditions regarding infection order to join the training

(1) The training may be cancelled or partially cancelled due to any situation including spread of infection, test positive for infection, or any other unavoidable reasons.

(2) In case the training is cancelled due to (1) above, delegates who have not completed the training will attend the same training planned alternately by NSTC at a later date. If the alternative training dates are not available, the course fee will be refunded. No refunds will be made for expenses other than the course fee (travel, accommodation, etc.).

(3) If you are infected with infection or suspected to be infected as having following symptoms, (Current or recurrent onset of cold-like symptoms such as fever, cough, sore throat, taste disorder, etc.) you will not be allowed to participate in the training.

(4) If you are found to be in poor health condition during the course (fever of 37.5°C or higher, cold-like symptoms, etc.), you will not allowed to attend the training.
