

# NOTICE of revision of course requirements for COVID-19

## ※Additional agreement form for countermeasures against COVID-19※

Due to the spread of COVID-19, stricter COVID-19 measures have taken by the relevant prefectures in Japan. In order to respond to the situation, NSTC has decided to take the following measures.

We would like to thank you for your understanding.

We apologize for any inconvenience this may cause to the delegates and their companies, we would appreciate your understanding and cooperation.

### 【Conditions for joining the training】

- The training may be cancelled or partially cancelled due to any situation including spread of COVID-19, test positive for COVID-19, or any other unavoidable reasons.
- In case the training is cancelled due to above, delegates who have not completed the training will attend the same training planned alternately by NSTC at a later date. If the alternative training dates are not available, the course fee will be refunded. No refunds will be made for expenses other than the course fee (travel, accommodation, etc.).
- On the first day of the training, please provide NSTC with an evidence of a negative COVID-19 test result (PCR or antigen) within 48 hours prior to participate in the training. You may use antigen test kits. If you confirmed negative results using the kit by yourself (i.e., cannot receive a negative certificate), please take a photo of the kit with information (your name, date, etc.), print it out and submit at NSTC reception desk on the day of the training. If the negative result is not submitted, you will not be allowed to participate in the training.
- If you are infected with COVID-19 or suspected to be infected as having following symptoms, you will not be allowed to participate in the training.
  - You are a close contact of an infected person.
  - Current or recurrent onset of cold-like symptoms such as fever, cough, sore throat, taste disorder, etc.
  - Have traveled to a country or region where the government has imposed entry restrictions or required post-entry observation period within the past 14 days, or have had close contact with a resident of such a country or region.
- If you are found to be in poor health condition during the course (fever of 37.5°C or higher, cold-like symptoms, etc.), you will not allowed to attend the training.

Above will be applied to those who will join the course on or after February 7, 2022.

Please sign the agreement form on the last page of PDF file “Documents to be submitted” for each training course that can be downloaded from Booking/Payment page on our website.
